

[Today's weather:

Perhaps rather cloudy across northern areas at first, although all parts should see some sunny spells. It should again feel pleasantly warm by the afternoon, with lighter winds. Max Temp. 18°C

Breakfast is £10.00 per person if ordered on arrival/£12.50 if taken in the morning.

Children under 10 years old £7.50/£10.00

This includes the buffet and a continental or cooked breakfast, all juices, tea & coffee.

Your team today are: Chloe on Breakfast and Matthew on Reception. Please let them know if they can help with anything.]

Please help yourself to our buffet and choose from either our continental or cooked breakfast options below. We source as many of our products from Yorkshire as possible – we work to improve on this all the time.

All of our breakfasts are prepared freshly to order, we appreciate your patience.

Continental breakfast – select any items from the following:

Freshly cooked porridge

Freshly prepared fruit salad

Croissant with preserves or ham and cheese Pain au Chocolat

2 boiled eggs & soldiers

Cooked breakfast - We only buy local bacon and sausage & we think you'll understand why once you've tried it. It's so local you can meet our butcher next door!

- **Full English breakfast** – the classic start to the day with everything from the list below:

Local dry cured bacon

Heinz baked beans

Local sausage

Vegetarian Quorn sausage

Local black pudding

Sautéed mushrooms

Eggs - fried / scrambled / poached

Grilled fresh tomatoes

Hash browns

- **A simple bacon or sausage sandwich**

Hot drinks – please help yourself to our selection of teas and or freshly brewed filter coffee on the buffet, or go bean-to-cup for just £1.25 with a Rijo 42 coffee of your choice or hot chocolate – see your Rijo menu for details.

Our breakfast menu contains milk and related products, gluten and egg. If you are allergic to any of these ingredients or have any other allergy concerns please ask your server for more information. Whilst we will do our best to accommodate any allergies, we cannot guarantee any food to be completely free of allergens. Our breakfast menu does not contain any GM foods. However, due to the large number of ingredients, instances may arise where we do have to use GM products. If you have any concerns, please ask your server.
